1. Amended Award Conditions

***Award Conditions to the Financial Assistance Award
Between the Denali Commission and the Southeast Alaska Regional Health
Consortium (SEARHC)
For Kake Clinic Construction and Hoonah Clinic Design
Award No. 00286, Amendment 2
December 2009***

All changes to the award conditions are noted below.

1. Scope of Work

This amendment serves to expand the scope of this award by including design work on the Hoonah community clinic replacement project and relocation and renovation work for the Front Street Clinic, a HRSA funded 330 (h) Health Care for the Homeless Clinic serving homeless patients in Juneau.

SEARHC will provide project management on both of these projects. Indirect costs shall not exceed five percent.

No additional funds are provided under this expanded scope.

Match funding is not required by the Commission on clinic design projects, so no additional cost share match is needed on the Hoonah design project. SEARHC has obtained cost share match in the amount of \$70,000 from the Health Resources and Services Administration (HRSA) to support the Front Street Clinic renovation project and is working to secure additional cost share match from other sources.

2. Award Performance Period

The amended Award performance period is April 1, 2007 through June 30, 2011. This is the period during which Award recipients can incur obligations or costs against this Award.

There are no other changes to the original Financial Assistance Award, as amended.
